Measurement Reference:
The proposed design follows the guidelines of Parking Policy & Design Guidelines for Punjab. Following is the page 39, of the manual for further reference.

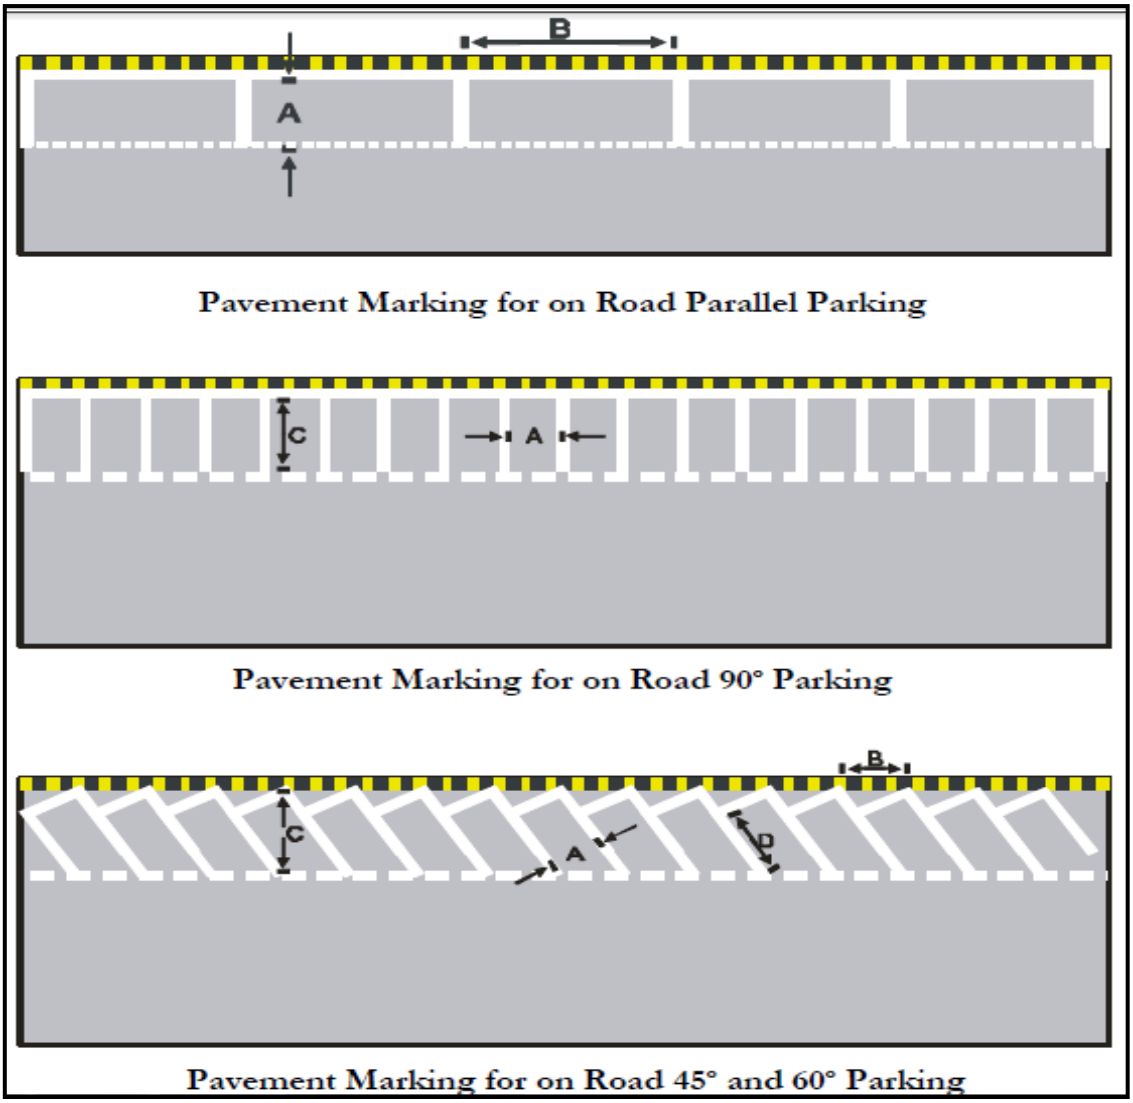

Figure 5-1: On-Street Parking Orientations (PTTM, 2008)

Table 5-6: Dimensions of On-street Parking Bays (PTTM, 2008)

Degree of Angle	Stall Width	Curb Length	Stall Depth	Stall Length
	A	B	C	D
0	8.5	23.0	-	-
45	9.0	13.0	20.0	19.0
60	9.0	10.5	21.0	19.0
90	9.0	9.0	18.0	19.0
